CITY OF SAN DIEGO

### MEMORANDUM

RE: Pension Payout Data Request

---

Please provide my office with the following data (including names) on pension payouts:

- The top 2,000 retirement allowances paid to City retirees to date for the calendar year 2010 (not including DROP annuity payments).
- The top 2,000 retirement allowances paid to City retirees to date for the calendar year 2010 (including DROP annuity payments).

Recognizing that the calendar year has more than three full months remaining, I request that the number of pay periods remaining (and already passed) for the year be provided in the SDCERS response so that my office can easily annualize the allowances for these individuals for the entire Calendar Year.

- Further, please provide the annual retirement allowances (regular allowance plus DROP annuity) currently being received by the following individuals. If these individuals received a DROP benefit as a lump-sum, please note this payout as well.
  - Ronald Saathoff
  - Patricia Frazier
  - Richard Snapper
  - Jack McGrory
  - Elmer Heap
  - Terri Webster
  - Edward Ryan
  - Michael Uberuaga
  - Lamont Ewell
